

From the 1st December 2010, the Safety Data Sheets (SDS) have been revised due to REACH and Classification, Labelling and Packaging (CLP) legislation.

Our products remain the same and we have made no changes to the quality or physical / chemical properties.

To obtain the revised version of the SDS you require please contact:

[info@growthow.co.uk](mailto:info@growthow.co.uk) or call your usual GrowHow contact.
